6.	Marking Criteria		
6.1.	Essay & Reports The Common Grading Scheme (LAQ & CPRQ) will be used as appropriate for extended pieces of writing with 0-10 marking on short answer responses of a factual nature.		
6.2.	Multiple Choice Questions The number of marks available for each type of question will be clearly stated on the examination paper. A question left unanswered or deleted by the candidate will score zero. The pass mark for the MCQ examinations as a whole will be set according to approved and accepted standard setting protocols, normalised and then scaled.		
6.3.	Integrated Structure and Function Orals Each structured oral examination will be marked out of a maximum of ten marks with students accumulating marks by answering questions of increasing complexity. Highest marks will be obtained by students demonstrating integration of their knowledge.		
6.4.	Problem Solving Questions The number of marks allocated to each section of the question will be clearly stated, totalling 10 marks for the whole question. The model answer will state how marks are to be allocated for specific factual answers, or the description or completion of a defined process. Where an answer must be judged more subjectively, the model answer must describe the quality of content, understanding, integration or expression required to attain the marks allocated for that answer. Fractional scores are permitted for each section.
