## Assessment & Award Regulations Part 1 Assessment Regulations for Level 7

6.2	Requirements for All Possible Awards In order to progress towards or gain a given award a student will have to have passed and gained credit for modules that meet the required pattern for that award as defined in the Award Pathway document.		
6.3.	Requirements to be Awarded a Postgraduate Certificate		
6.3.1.	OR	To have passed individual module(s) (including exemptions) amounting to 60 credits	
6.3.2.		To have gained a weighted aggregated average of 50% from modules to the value of 60 credits with modules amounting to a total of no more than 15 credits or one 15 credit module gaining a mark between 40 and 49%. All other modules must have a mark of 50% or more.	
6.4	Requirements to be Awarded a Postgraduate Diploma		
6.4.1	OR	To have passed individual modules (including exemptions) amounting to 120 credits	
6.4.2		To have gained a weighted aggregated average of 50% from modules to the value of 120 credits with modules amounting to a total of no more than 15 credits <b>or</b> one 15 credit module <u>or <b>one</b> 30 credit</u> module gaining a mark between 40 and 49%. All other modules must have a mark of 50% or more.	
6.5	Requirements to Pass the MSc <sup>1</sup>		
6.5.1.	OR	To have passed the research module and to have passed individual modules (including exemptions) which, when combined, amount to 180 credits in total.	
6.5.2	AND	To have passed the research module	
6.5.3	AND	To have gained a weighted aggregated average of 50% from the remaining balance of modules to make 180 credits in total	
6.5.4		With modules amounting to a total of no more than 15 credits, <b>or</b> one 15 credit module or <b>one</b> 30 credit module gaining a mark between 40 and 49%. All other modules must have a mark of 50% or more.	
7.	Consequences of Failure		
7.1	A student who fails a module at the first attempt shall have a right to resit*. The module mark obtained at the second attempt will be no greater than 50%.		
7.1.1	When a module resit involves a piece of assessed work, the amount of time the resit student is given to do that work should be the same as on the first occasion.		
7.2	S/he will be required to resit those pieces of work that were failed (with less than 40%) at the next available opportunity. S/he will also be required to resit any piece of work with a mark of 40-49% in order to pass a module if it has not been passed on aggregate at the first attempt.		
7.3	A student who fails at the second attempt will be required to relinquish the course. S/he will have a right of appeal as described in College Regulations		
	*modul	es undertaken in the joint RVC:LSHTM courses cannot be re-sat if they can be compensated.	

## Assessment & Award Regulations Part 1 Assessment Regulations for Level 7

8.	Classification and Awards:		
	From the combined mark taken from all of the components defined in 6 above, a candidate who achieves:		
	70% or more at the first attempt from the aggregate of all modules:Distinction65-69% at the first attempt from the aggregate of all modules:Merit50-64% at the first attempt from the aggregate of all modules:Pass		
9.	Disclosure of Marks		
	Results will be published by candidate number.		
10.	Absence from Summative Assessments and In-Course Assessment		
	An allowable absence is one that is for a significant unforeseeable event such as illness. Any other foreseeable absence will only be considered allowable if agreed by the Student Performance and Development system (formerly PG Academic Progress Committee) and this will only apply in very strictly limited circumstances.		
	For modules undertaken at LSHTM the relevant LSHTM procedures will apply.		
	A student absent for any other reason will be awarded 0 (zero) for the assessment.		
11.	Late Submission of Work		
	Reports, Projects and Assignments submitted after the due deadline will be subject to the late submission policy set out in the College's General Assessment Regulations. Major pieces of work are specified in the Part 3 Assessment Weighting document and will be reduced to a maximum of a bare pass (50%) within the late submission window.		
	LSHTM assessments submitted after the due deadline will be treated in line with LSHTM procedures and are liable to incur a mark of zero, the only exception being if the student has been given an extension that has been agreed via the relevant LSHTM procedures.		

\*for social science based projects, with agreement of supervisor, the combined maximum word count of assignments 1 and 2 may be 12,000 words. Scientific projects are to be up to 5000 words for assignments 1 and 2 combined
