	Infection and Immunity	30	6	Optional		
	Parasitology of Human and Veterinary tropical Diseases	15	6	Optional		

	Practical Investigative Biology	15	6	Optional		
	Science of Animal Welfare	15	6	Optional		

---

Students planning more than a Stage ahead should be aware that the College will not deliver any module or part of a programme if circumstances have changed to threaten its quality or viability. Such offerings could change after a student has started the course. However, the College will always offer alternatives that will be of equal cost in both fees and add-on expenses to the student and of equal academic value.
