

Hello!

We hope you are looking forward to arriving at the RVC. As you will probably be aware, your pre-session timetable involves some activities that are away from the Camden campus.

**For those of you who are from outside the UK and have been given a start date of the 17<sup>th</sup> September**

You will join us for our international enrolment day. This day is designed to welcome students who are not familiar with the UK and its education system. It will give you an opportunity to meet other international students, find out more about life in London and at the RVC and do things such as collect your BRP, should you need to. This session will take place at Student Central, which is part of the University of London. The full address of Student Central is:

Malet Street, London, WC1E 7HY

For those of you who are staying in Halls of Residence, there will be Student Ambassadors to meet you on Monday morning and accompany you to Student Central, so that you don't get lost! The departure times will be confirmed the day before – it isn't compulsory to join them but we would recommend it! If you are making your own way to Student Central, look out for Student Ambassadors and RVC signage in the main entrance to direct you where to go.

We know that your parents/family may have joined you on your trip to London and therefore they are welcome to come along Monday morning – we have organised a talk specifically for them and they are also welcome to stay up to (and including) the welcome lunch. If they would like to join you, then we would be grateful if you could let us know, so that we can make sure there is sufficient food for everyone. If you, or anyone joining you, have any dietary requirements (we will cater for vegetarians) then could you please email [admissions@rvc.ac.uk](mailto:admissions@rvc.ac.uk) to let us know by **Tuesday 11 September** so that we can make the necessary arrangements.

**For those of you who are joining us on the 18<sup>th</sup> September**

You will join us as our activities move to ZSL London Zoo. You have been allocated an enrolment session and must ensure you are at the Zoo for that session.

**Important information for all about activities at ZSL London Zoo**

In order to gain access to the Zoo, we need to make some specific arrangements that will enable you to get on to the site, without going through the main entrance. We are in the process of finalising these with the Zoo and so will send you an email during the week commencing 10<sup>th</sup> September, detailing what you will need to do. Please look out for this and ensure that you follow the instructions provided.

You will notice the events on the timetable are colour-coded the key can be found below:

	Course specific activities
	Academic and support activities
	Essential settling in activities

Your timetable is on the next page. If you have any questions before you arrive then do get in touch. Otherwise, we look forward to seeing you very soon!

Best wishes

The Admissions Team
