

Hello!

We hope you are looking forward to arriving at the RVC. As you will probably be aware, your pre-session timetable involves some activities that are away from the Camden campus. During the pre-session week, these activities will take place at Student Central, which is a part of the University of London. The full address is for Student Central is:

Student Central
Malet Street,
London, WC1E 7HY

For those of you who are staying in Halls of Residence, there will be Student Ambassadors to meet you on Monday morning and accompany you to Student Central, so that you don't get lost! The departure times will be confirmed the day before – it isn't compulsory to join them but we would recommend it!

If you are making your own way to Student Central, look out for Student Ambassadors and RVC signage in the main entrance to direct you where to go.

We know that your parents/family may have joined you on your trip to London and therefore they are welcome to come along Monday morning – we have organised a talk specifically for them and they are also welcome to stay up to (and including) the welcome lunch. If they would like to join you, then we would be grateful if you could let us know, so that we can make sure there is sufficient food for everyone. If you, or anyone joining you, have any dietary requirements (we will cater for vegetarians) then could you please email admissions@rvc.ac.uk to let us know by **Tuesday 11 September** so that we can make the necessary arrangements.

Finally, some other important information about the timetable:

- **GROUP SESSIONS** – where you have timetabled group sessions we will confirm your groups on Tuesday afternoon, so that you know which sessions to attend on Wednesday
- Attendance is compulsory for **all** activities in the timetable, with the obvious exception of those that are marked optional. All activities have been carefully planned based on numbers. Whilst the activities may be running multiple times during the day, please make sure you attend the events as per your timetable as we cannot accommodate people switching sessions.
- You will notice the events on the timetable are colour-coded the key can be found below:

	Course specific activities
	Academic and support activities
	Essential settling in activities

Your timetable is on the next page. Your Welcome Week timetable can be found separately to the pre-session timetable. You will have been sent details on how to find this but if you are having any difficulties then let us know. If you have any questions before you arrive then do get in touch. Otherwise, we look forward to seeing you very soon!

Best wishes
