No of Teams and leagues in which entered and changes in position over the last couple of seasons (if a sport/club)

1st team: BUSA league 3B and ULU 1st division

2nd team: ULU 2nd division

3rd team: ULU 3rd division

Success (eg recent events such as productions, outings, matches, leagues, talks or practicals)

1sts: 4th in ULU league and finished 5th in BUSA

2nds: 7th ULU

3rds: 9th ULU

none of the team progressed through to any late stages of the Challenge or reserve Cup.

as a club we arrange several socials and on 9th Feb 08 we held our annual event "Rugby-netball" this was well organised by our social sec , Ami Cooper. it was a complete success. all monies used for these type of events are from within the club, via subs and players. we dont arrange any fundraising activities. every week we hold a training session for the whole club, although the 1st team are unable to attend due to match commitments.

we also usually organise a netball tour in January annually. we try to ensure that we organise a match during the 3 day trip. this year unfortunately the tour wasnt organised due to lack of funding.

Fund raising events (past and future)

none to report

Any Sponsorship (past or present, private or public)

phizer have sponsored some kit 3 years ago but this is the extent of the sponsorship that we have recieved

Current funds

unsure but are able to be attained from the Treasurer Charlotte Mcgrath, 07815720750

Requirements/Wishlist

money for ; new kit, new ball, new netball posts (ours are bent and th nets are broken).

also a major issue that i have with the facillities at hakshead are the quality and safety of our courts. in my opinion the courts need to be resurfaced as they are extremely dangerous. i have had several of my players sustain injuries due to slippery and pitted courts this season. the lines now are so faded that i have also had umpires complain about the inability to be 100% sure of fouls on court.
