

RVC Riding Team

Captain- Suzy Bohm

Treasurer- Kat Baxter

This year we have three riding teams for the first ever time. All compete in BUSA leagues, the 1st team competing in the Championship League with the 2nd and 3rd teams both competing in the Trophy league. Both leagues go through to regional rounds, the winner of each qualifying for the National Championships.

There are four members to each team and the competitions consist of a dressage and a showjumping phase.

Last year Charlotte Andrews from the A team won the overall Championship with the A team finishing a close 2nd to Nottingham, a fantastic result which we were all very proud of.

This year the B team has done exceptionally well, winning their league and so have qualified for the regionals which are coming up in Easter.

This year the teams are very kindly sponsored by T and G clothing, who have supplied jackets and body warmers to all 12 members of the teams.

The riding teams have to fund all travel expenses themselves and when they qualify for regional and national rounds they also self fund entry fees (£50 per person) and accommodation (the nationals spans 3 days). It would be fantastic this year to be able to support the B team with costs for regional rounds and fingers crossed for Nationals too. The cost of £100 per person for four people would be great if it could be subsidised in any way.
