

## Academic Misconduct (AM) Penalty System

The Academic Misconduct Penalty System has been created and developed based on the [AMBer Plagiarism Reference Tariff](#) and [Benchmark Plagiarism Tariff](#). The purpose is to create a consistent and equitable application of penalties for **proven** cases of academic misconduct in accordance with the [RVC Student Academic Misconduct Procedures](#).

The AM Penalty System should be used by staff alongside the AM Procedures to help aid the decision-making process. The appointed staff should give additional judgment around mitigating and aggravating factors which cannot be reasonably accounted for in the AM Penalty System.

Should you need further guidance on using the guidance document please contact the [Student Resolution and Compliance Team](#).
