	Animals and Human Society	15	6	Compulsory	Stage 2
	Applied Animal Welfare	15	6	Compulsory	Stage 2

---

Students planning more than a Stage ahead should be aware that the College will not deliver any module or part of a programme if circumstances have changed to threaten its quality or viability. Such offerings could change after a student has started the course. However, the College will always offer alternatives that will be of equal cost in both fees and add-on expenses to the student and of equal academic value.
