1. **Course** | Postgraduate Diploma in Veterinary Clinical Practice  
2. **Year** | All Years  
3. **Applicable to:** | Students commencing from June 2018  
4. **Aspects of Course Covered by Examination**  
   - All subjects taught on the course modules (module assessments)  
   - Clinical / Pathology Clinical skills  
   - Professional Skills  
5. **Form of Examination**  
   5.1. **Formative**  
      Opportunities including:  
      - Mini Clinical Evaluation Exercise (MiniCEX)  
      - Case Based Discussion (CbD)  
      - Direct Observation of Procedural Skills (DOPS)  
      - Presentations  
      - Multi-source feedback (MSF)  
   5.2. **Summative**  
      5.2.1. **Progress Assessment**  
         An assessment led by the supervisor to evaluate:  
         - Development of clinical competencies and professional behaviours  
         - Rate of progress in respect of academic and study requirements for the programme  
      5.2.2. **Modules**  
         Written Assessments associated with each module (format individualised by module: e.g. case reports, literature review)  
         Practical Assessments associated with each module (format individualised by module: e.g. mini clinical examination, DOPS)  
         Multi source feedback evaluations per module relating to the clinical work associated with the module.  
6. **Marking Criteria**  
   6.1. The RVC Common Grading Scheme (CertAVP) will be used for marking the case reports.  
   6.2. The RVC 0-10 Marking Scheme will be used for assessments to which it is better suited.  
   6.3. The College marking scheme for Oral Presentations will be used for all presentations assessed as part of a module.
6.4 Journal Club Assessment Form
Students’ performance will be graded to assess the categories below:
- Presenter’s style & delivery
- Knowledge gap (why is it important to investigate this)
- Design appropriate for the study (demonstrates detailed understanding of applicable techniques for research)
- Validity of study (does it answer the question?)
- Limitations and applications to patients/population
- Ability to link prior learning with new information
- Handling questions and ability to make an informed judgement on the study
The grades are: Demonstrates excellent practice: Demonstrates good practice: Below appropriate level.

An overall result of “Competent” will be given for each Journal Club assessment when there are no grades below appropriate level. Any grade of below appropriate level (competency) will be given a result of ‘not yet competent’.

6.5 Direct Observation of Procedural Skills (DOPS)
Students’ performance will be graded to assess the categories below:
- Preparation
- Communication
- Technical ability
- Wrap up (post procedure management, patient/personnel safety)
The grades are: Demonstrates excellent competency: Meets expected competency level: Borderline expected competency level: Below expected competency level.

An overall result of “Competent” will be given for each DOPS performed when there are no grades below expected competency. Any candidate with a grade of below expected competency will be given a result of ‘not yet competent’.

6.6 Mini Clinical Evaluation Exercise (MiniCEX)
Students’ performance will be graded to assess:
- Initial approach (introductions)
- History and information gathering
- Examination
- Investigation
- Clinical decision making and judgement
- Communication with owner, staff
- Overall plan
- Professionalism

The grades are: Demonstrates excellent practice; Should address learning point highlighted below; Must address learning points highlighted below: Further core learning needed.

An overall result of “Competent” will be given where there are no grades of ‘further core learning needed’. If there are any grades of ‘Further core learning needed’ an overall result of “Not yet competent” will be given.
### 6.7 Case Based Discussion (CBD)

Students’ performance will be graded to assess:
- Clinical record keeping
- Review of investigations
- Diagnosis
- Treatment
- Planning for subsequent care (in-patient or discharge)
- Clinical reasoning
- Overall clinical care

The grades are: Demonstrates excellent practice; Should address learning point highlighted below; Must address learning points highlighted below and Further core learning needed.

An overall result of “Competent” will be given where there are no grades of ‘further core learning needed’. If there are any grades of ‘Further core learning needed’ an overall result of “Not yet competent” will be given.

### 6.8 Multi Source Feedback (MSF)

Students’ professionalism, clinical behaviours and skills will be subject to evaluation by colleagues.

Where a student has gained no more than one grade of ‘Unsatisfactory’ from feedback the overall grade of ‘Progress’ will be given.

Where a student has gained two or more grades of “Unsatisfactory” from feedback the grade of “Review Progress” will be given.

### 7. Allocation of Marks

The allocation of marks and credits to modules is described in Annexe A.

### 8. Requirements to Progress

#### 8.1 Six Monthly Progress Review (all students)

In order to pass the six monthly review the student is required to have:
- Passed one module
- **AND**
- Passed the six month progress assessment

#### 8.2 Interim Progress Review (as required for individual students)

A student is required to attend an interim progress assessment if deemed necessary by the supervisor or the student has gained a result of “Review Progress” as a result of a Multi Source Feedback in a module.

#### 8.3 Outcome of Progress Review

The outcome of a progress assessment can be any of the following:
1. Satisfactory progress: the student should proceed
2. Satisfactory progress with advice: the student should proceed
3. Progress of concern: Student to be placed on probation for a period of not less than one month and not greater than three months after which there will be a further assessment.
4. Student’s programme terminated with immediate effect, including removal from clinical/pathology duties. This can occur with or without referral to the Professional Requirements procedure.
