

RVC Equality and Diversity Champions

Below is the list of the Departmental Equality and Diversity Champions. The champions are members of the Equality and Diversity Committee, whose remit is to promote equality and diversity across the College, so members have an additional role, which is highlighted within the list. The role of the Equality and Diversity Champions is to support their department to develop and promote an environment in which principles of equality and diversity are embedded as part of the departmental working culture. For further information about what your department is doing towards implementing the equality and diversity agenda you can contact one of your departmental champions.
