

Dignity at Work and Study Ambassadors

Dignity at Work and Study Ambassadors are members of staff from different parts of the RVC. They have been trained to offer informal support and information to anyone at work who feels they have been inappropriately treated, bullied, or harassed, whether this is by a peer, someone junior to them, or senior to them.

Refer to the Dignity at Work Study Policy for further information which is available on the RVC intranet. Alternatively, you can contact the EDI Department on EDIOffice@rvc.ac.uk
