

Work Experience Feedback Form B (Non-clinical)

The below named student may be applying to study a Foundation/BSc (Hons) Degree in Veterinary Nursing at the Royal Veterinary College. Applicants to these Veterinary Nursing degrees must have spent at least 2 weeks experiencing a working environment with animals (such as, but not limited to: kennels/cattery, animal shelter, wildlife park). We would be grateful if you could complete the below form to give us your feedback on the applicant's performance during their work experience with you.

Name of Student:	
Placement name and address:	
Referee's Tel:	Email:
Dates of Work Experience:	Total no. weeks: Approximate number of hours a day:

Please tick the boxes appropriate to indicate the stage the student has reached by the end of their placement:					
	Excellent	Good	Satisfactory	Less than satisfactory	Poor
Attitude (student's attitude and enthusiasm)					
Professional appearance (cleanliness, tidiness, dress and appearance)					
Communication skills (with placement staff and clients/public)					
Attendance (including punctuality)					
Animal handling abilities (general handling, restraint for common procedures if applicable)					
Animal husbandry and/or welfare knowledge (appropriate to level studied)					
Problem solving abilities (using initiative, planning ahead within scope of knowledge)					
Clinical skills (if applicable – appropriate to level studied)					
Contribution to the team (how well has the student integrated into the placement?)					

Comments: (please continue overleaf if necessary)

Do you consider this student ready for a career working with animals? **Y** **Some reservations** **N**

Name:	Job title:
Signed:	Date:
<i>Thank you for taking the time to complete this form. Your feedback is invaluable to us.</i>	

Work Experience Feedback Form - Further Comments

Any further comments you may have will be very useful for us. **For example, you may want to include:**

- information about the type of tasks undertaken by the student;
- how this student compares to any other work experience students you have supervised;
- any information about your organisation that you think might be relevant.

Once completed please return by post to: Admissions (Nursing), Royal Veterinary College, Royal College Street, London, NW1 0TU
or via fax to 020 7468 5311 or attach to an email to enquiries@rvc.ac.uk.
