

COMMUNITY RELATIONS AT THE RVC

VOLUNTEER WITH US

We are always looking for students who would like to engage with the local community, whether that is the local residents, local schools, scout groups or similar. If you are interested in volunteering in the local community, or perhaps you are already volunteering somewhere or have some ideas to share, we would love to hear from you.

We currently organise school visits, foodbank collections and litter picks, as well as attending events such as local carnivals, amongst our many activities. We are also looking to establish a new community garden and allotment at Boltons Park Farm near our Hawkshead Campus in Hertfordshire. We are on the look out for students who would like to be involved.

[Find out more here](#)

Email us at communityrelations@rvc.ac.uk and we will be in touch!

We look forward to hearing from you.

VISIT OUR FREecycle ROOMS

We have recently set up a Freecycle room and have been busy filling it with useful items that have been donated by current students, staff and companies.

Looking for something?

We may be able to help! We have a great selection of free second hand wellies, boiler suits and lab coats in various sizes, a large amount of stationery and plenty of bedding/towels and kitchen/household items.

Please email us if there is anything in particular you need or would like to arrange a time to have a look around. We can send items in the internal mail to Camden too, just let us know what you are looking for.

Looking to donate goods?

Do you have clean, good quality items you no longer need? Would you rather they were put to good use than be thrown away?

We can help you recycle your unwanted items and redistribute them to someone who can make use of them.

We cannot accept electrical goods and we don't have room for larger items such as big pieces of furniture, but are open to most suggestions! Examples of what we'd like to receive and what are in highest demand from students include clean and good quality pots, pans, crockery, books, stationery, useful clothing items such as boiler suits, lab coats, small desks, plants – we'd love to take these off your hands!

Email communityrelations@rvc.ac.uk to arrange a drop off time at RVC Boltons Park Farm, near Potters Bar. Sorry, we are not able to collect items.
