**\*Evidence Based Veterinary Education (EBVE)** is being offered as a bridging module only and is a requirement for students who plan to progress to the MSc. However, students who hold a BSc degree which includes a research project will be exempt from this requirement. Timetabling of this bridging module is subject to change depending on student numbers. For further clarification on relevant prior experience, please contact [mscvetedu@rvc.ac.uk](mailto:mscvetedu@rvc.ac.uk)
